Narrative							

On 08-24-2014 at approximately 0348hours, while on routine patrol at 5100 South Fwy Sr Sb at [REDACTED] I officer C. Snodderly 4110 and Officer C. Vistine, working S376, heard several gun shots fired from the East side of Southway Cir. The Shots were coming from the direction of the cul-de-sac where the road dead ends.

Sgt Lusty 2043, who was working a nearby accident on the Freeway, heard the gun shots and notified dispatch.

Officers C. Vistine 3951, Z. Lott 4065, C. Rutledge 4063, R. Sparks 3725, Sgt D. Lusty 2043, and Sgt D. Fenter 3224 assisted.

Officers immediately started on foot towards the general direction of where the shots were heard near the east end of the street. Officers observed several people running west bound away from the area. As we made our way east down the street on foot, we began to stop cars that were attempting to leave the area to prevent suspects or evidence from leaving the scene. As we continued to make our way east on Southway Cir, I officer

ORIG**FORT WORTH POLICE DEPARTMENT****Narrative**

Snodderly observed a silver two door convertible coupe with the top down (IMP) in the line of cars attempting to leave. The IMP vehicle was occupied one time by a B/M later identified as ARR Tanksley, Dantana (B/M DOB [REDACTED] 79). The ARR was at approximately [REDACTED] Southway Cir going west bound. The ARR made eye contact with me and immediately turned off the road into the parking lot at [REDACTED] Southway Cir at a high rate of speed. I Officer C. Snodderly, while wearing full city of Fort Worth police uniform to include badge and patches, gave loud verbal commands and ordered the ARR to stop his vehicle. The ARR looked at me as if he heard my orders and disregarded my commands. He then continued driving north in the parking lot approximately 200ft into a dead end. Officer Z. Lott 4065 and I pursued the ARR on foot to the location the IMP came to rest. The ARR was ordered at gun point while giving loud verbal commands to show his hands. Officers felt that due to his erratic behavior he was possibly a suspect in the shots fired and was attempting to flee the scene. After several orders the ARR flung the car door open and again refused to show his hands or get out of the IMP. As officers approached the IMP the ARR exited the driver's side of the vehicle and began walking towards the front of the car disregarding officer's commands. The ARR was immediately placed in handcuffs for our safety while the investigation continued.

Officer Lott walked around to the passenger side of the IMP and in plain view; he saw a discharged casing in the passenger side front seat. The ARR was asked if there was any weapon in the car and he said no. Seeing the shell casing in the Vehicle Officers had probable cause to search the IMP for evidence of the offense. Officer Sparks and I, as well as Sgt Fenter and Sgt Lusty, located an AK-47 in the trunk of the IMP. The ARR was immediately detained and placed in the back of a patrol car.

Sgt Lusty later found several empty casings on a driveway near the road on the east end of Southway Cir in front of the Foundation Drillers building. The casings appeared to be the same type of casings found in the IMP.

Officer C. Rutledge 4063 spoke to the Brown, Keshia (WIT1) who completed a written statement stating the following:

The incident happened in front of the foundation drillers business on Southway Cir. The WIT said that a burgundy blazer had blocked a silver drop top coupe in its parking spot and that the B/M, who was the driver of the silver drop top coupe, suddenly began shooting a gun in the air. The burgundy Blazer drove off and several people ran from the B/M.

Sgt Lusty later walked the WIT by the IMP as it was on the tow truck and the WIT told Sgt Lusty that the IMP was the vehicle she observed the B/M in.

The rifle located in the trunk of the IMP was ran through the Police Information Center (PIC) by Officer Lott and found to be stolen out of Fort Worth (see report #12-93074). I officer Snodderly also ran the ARR through PIC for any previous felony convictions and he was found to have multiple previous felony convictions. The ARR was booked for Unlawful possession of a firearm by a felon, evading arrest and detention with a vehicle, theft of firearm, and discharging a firearm in certain municipalities.

The ARR was transported to JPS for medical evaluation by Medstar 62.

Officer R. Tigrett 3149 took custody of the ARR at JPS while I went to the city jail to complete jail paper work.

Pictures were taken of the IMP and the gun where officers had found it. The empty casing in the front seat was also photographed. These pictures were uploaded to the report due to not having access to the South CIU folder.

Property was transported to the property room by Officer's Lott and Rutledge, where it was tagged as evidence.

The IMP was towed to the Fort Worth city auto pound by American Roadside Towing.

The WIT statement was placed in the South CIU folder at the McCart sector.

No Video

Sgt Lusty and Sgt Fenter made the scene.

Sgt Lusty.

Sunday, 08/24/2014:

0419 hrs.: I, Off. LA Scheiern #2336, working CSSU U471, was dispatched to [REDACTED] Southway Circle regarding a shots fired call.

0442 hrs.: I arrived and met with Off. Shodderly who provided the following information: while patrol was working a detail on Southway Circle they heard numerous shots fired from an area near the east end of the street. As vehicles began leaving, officers stopped them and were able to locate a vehicle with a rifle and casing inside. The driver was arrested and the vehicle towed. Officers requested GSR from the driver, Dantana Tanksley.

Tanksley was in custody - handcuffed and in the back seat of a patrol unit. He refused to come out of the patrol unit on his own so officers pulled him from the vehicle. I photographed Tanksley - he was wearing a light green tank top and matching light green shorts. Shortly after coming out of the patrol unit Tanksley passed out and MedStar made the scene. Since his hands were cuffed behind his back I requested that MedStar cut his shirt off so I could collect it for GSR testing.

0503 hrs. I collected trace evidence from the front and back of both of Tanksley's hands utilizing an approved FWPD GSR kit.

I photographed a SAIGA 7.62X39 rifle, S#: X12101761 that had been collected by patrol officers. Officers maintained custody of the weapon.

0517 hrs.: I met with officers at [REDACTED] Southway Circle. The shots had been fired at this location and numerous casings had been found. The building at 843 Southway Circle was labeled Foundation Drillers Inc. and was located on the north side of the street. A parking lot was on the south side of the building and I photographed and collected a total of 18 fired casings from the parking lot. No hits to persons, vehicles, or structures were located or reported. Witnesses described the actor as firing the weapon upward towards the sky. No other evidence was collected at this time.

At the CSSU office I documented the casing head-stamps and photographed them. The casings, tank top, and GSR kit were then packaged and later submitted to the PCU. The photos were transferred onto the server and onto a disk that was submitted to the CL.

Narrative							

On Sunday 08-24-14 at 1113 hours, I, Officer R. J. Porter 3690, working routine marked patrol C181, was dispatched on a prisoner transport call to JPS Hospital, 1575 S Main St. It was reported that a prisoner was being released from the hospital and needed to be transported back to the jail. It was also reported that the patient was being combative with JPS Police. Assist unit was Officer C. S. Fitzharris 3521, working C176.

Upon arrival at 1115 hours, I met with JPS PD Sgt. B. Hardin #1025 (OAL 1). Hardin stated that the FWPD prisoner located in ER room 5L, Dantana Tanksley (B/M [REDACTED] 79 ARR), had been threatening his officers, and was now using his bed as a barricade to prevent officers from appropriately handcuffing him. Hardin stated that Tanksley was angry because he had not been allowed to use the telephone.

When I entered the room I saw Tanksley standing up with his right hand handcuffed to the hospital bed. Tanksley had both hands on the bed railing, and was using the bed as a barricade to keep officers away from him. I told Tanksley that he was going to be transported to the jail and that he would be allowed a phone call when he arrived. Tanksley was very angry and said, "No man. My people need to know where I'm at." I told Tanksley that he could tell them when he arrived at the jail. Tanksley replied, "I'm not going. You're gonna have to fight me." I told Tanksley to put his free hand behind his back. Tanksley then said, "I'm gonna fight you."

0002**FORT WORTH POLICE DEPARTMENT****Narrative**

At that time Officer Fitzharris and myself displayed our Tasers. I told Tanksley again to put his free hand behind his back and he did not comply. He kept his free hand down by his side and said, "I'm gonna fight you. You might as well Tase me." Tanksley then repeated, "Tase me" several times as he raised his voice and clenched both hands. At that time Officer Fitzharris discharged his Taser, striking Tanksley. Tanksley then began to fall to the ground while I maneuvered in and placed my handcuff on his free hand, grasping him tightly in case he began to resist after the Taser cycle stopped. When the five second cycle stopped Tanksley was immediately compliant as I told him to keep his hand behind his back. I ordered Tanksley to stand up and he did so with some assistance, as he was sitting in an awkward position. I was able to complete the handcuffing process without any further hindrance. Tanksley was placed in a hospital wheelchair as one of the nurses removed his Taser probes. It should be noted that we were unable to photograph where the probes struck Tanksley. The probes had struck Tanksley on the upper right chest area and the lower right hip area. Due to the aggressive nature of Tanksley, he was immediately transported to my patrol vehicle without a property search of his person.

Tanksley was then transported to 350 W Belknap (FWPD Jail) and released to MLEC personnel. MLEC personnel advised me that during their search they found a small plastic baggy containing a green leafy substance. Due to my training and field training experience, I believed this substance to possibly be marijuana (EVD). Officers J. Lonergan 4165 and M. Arrendondo 3794, both working C177, assisted by transporting the EVD to the property room. C177 advised me that the EVD weighed 0.015 oz (field weight), and was tagged into the property room (Tag#: 140011580).

The appropriate charges were added to Tanksley's paperwork (Booking#: 1423775).

Officer Fitzharris stayed at the scene and spoke with JPS PD Sgt. Hardin about the situation. Hardin said he was notified by officer Elliott (OAL 2) of a disturbance in trauma room 5L, in regards to FWPD prisoner Dantana Tanksley (B/M [REDACTED] 79 ARR). When Hardin arrived to trauma room 5L officer Onopez (OAL 3) was also on scene, as well as several other JPS PD officers. Hardin stated that Tanksley was yelling about not being able to use the phone to contact his people. When Hardin told Tanksley that he was not going to allow him a phone call Tanksley began yelling and cussing saying, "I'm a tear this bitch up." Tanksley had since gotten out of the bed and was "Fiddling with his handcuff." Hardin said Tanksley was trying to remove the handcuff and possibly escape. At that time Hardin notified dispatch to contact FWPD for assistance. Hardin also stated they threatened Tanksley with the use of pepper spray, which did not change Tanksley's aggressive demeanor.

CSSU not needed.

Supervisor, Sgt. Fimbres
